ABOUT US

Pitzhanger Manor & Gallery, located in Ealing, West London, provides an exceptional setting for team retreats, off-site meetings, and company outings. Originally crafted in the early 19th century by innovative British architect Sir John Soane as a place of architectural experimentation, this historic venue, inspired by design, combines neoclassical elegance with modern amenities, fostering an atmosphere of focus, collaboration, and creativity beyond the typical office environment. Conveniently accessible via the Elizabeth Line from Heathrow, Bond Street, and Canary Wharf, Pitzhanger offers a countryside ambiance within the city.

Soane's Garden Room is a spacious, elegant, bright room of 150m², ideal for plenary sessions. The blank canvas space and its surrounding private walled garden can host team activities, break-out sessions, and refreshments. Renowned organizations such as David Chipperfield Architects, Perspectum, Five Guys, V&A, NHS, and Savills have all chosen Pitzhanger for their team events, highlighting its versatility and appeal. All set alongside an inspiring contemporary art gallery, Pitzhanger is perfect for strategy days, board meetings, and team events. Offering a tailored experience with up-to-date facilities for large or small teams, a beautiful setting, and a history of creative inspiration, Pitzhanger stands out as an exceptional choice for an impactful off-site experience.
